

Sho-Ping Chin Women's Leadership Summit Grant

Endowment Campaign Launch 2019

Sho-Ping Chin, FAIA was a Principal at Payette and in 2009 the founding leader of the inaugural AIA Women's Leadership Summit. In 2017, following Sho-Ping's untimely passing, a group of colleagues, family members, and friends created a memorial fund in her name focused on supporting the development of future women leaders in architecture by helping defray costs of mid-career to senior women architects to attend the summit. This year, in honor of the 10th anniversary of the AIA Women's Leadership Summit and Payette's status as 2019 AIA Firm of the Year, the Architects Foundation is seeking to permanently endow the Sho-Ping Chin Women's Leadership Summit Grant Fund.

\$125,000 will permanently endow the fund to award up to ten (10) grants of up to \$700 to cover travel costs associated with attending the conference. We will work with AIA to cover registration fees.

Pledges may be paid over three years. The highest level donors will be acknowledged at future summits in conjunction with announcements of that year's class of grantees.

Donate securely online at architectsfoundation.org. Select "AIA Women's Leadership Summit Grants" under "Apply My Donation."
